Dear Mr. Shukla:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our July 15, 2021 letter.

Amendment No. 3 to Registration Statement on Form S-4

Redemption Rights of AHAC Stockholders, page 9

1. We note your disclosure that based on funds in the Trust Account of approximately \$100,031,770 on the Record Date, the estimated per share redemption price would have been approximately \$9.95. Based on your disclosure on page 69, the estimated per share redemption price appears to have been calculated using 10,050,000 outstanding Public Shares instead of the 10,000,000 shares issued in your Initial Public Offering. Please provide us with an explanation of why the estimated per share redemption price may be less than \$10.00 and revise your disclosure as appropriate.
